

**Commons Act 2006 - Schedule 2 (2)**  
**Application to register land as common land**

Notice is hereby given that an application has been made by **the Open Spaces Society** ("the Applicant") to Cumbria County Council as Commons Registration Authority, under Schedule 2 paragraph 2 of the Commons Act 2006 and in accordance with the Commons Registration (England) Regulations 2014.

The application relates to a parcel of land at Brisco shown coloured blue on the attached plan ("the Application Land").

A summary of the effect of the application is as follows: The Applicant claims that the Application Land was not at any time finally registered as common land or as a town or village green under the Commons Registration Act 1965 and that it is land which is subject to a scheme under the Commons Act 1899 (c. 30) and thus satisfies the criteria specified in paragraph 2 of Schedule 2 of the Commons Act 2006. The Applicant claims that the Application Land was omitted from registration as part of register unit CL48 Brisco Common and has requested that the Application Land is added to the commons register unit CL48.

If the application is granted, in whole or in part, the commons registration authority will give effect to the determination by registering the Application Land as common land, which will entail the addition of a registration amendment entry in register unit CL48 confirming the addition of new land to be comprised in the same register unit, and the amendment or preparation of a fresh edition of the register map showing the Application Land contained within the boundary of register unit CL48.
