

## Introduction

1. In Barrow, Cumbria County Council vehicle permits are round and pink in colour and the visitor permits have a hologram on them. They are valid for one year only and it will be your responsibility to renew them the following year. No reminders will be sent.

Once your details are on the Council's permit system there is no need to resubmit an application (unless you move to a different address) and so would refer you to the guidance detailed below and the permit terms and conditions indicated on the application form and the reverse of the permit.

The rules are the same regardless of which zone a person lives in and so the onus is on the resident to apply and provide the correct information.

Meanwhile, enforcement takes place within all resident disc parking zones and so to obtain an exemption from the time restrictions a valid permit must be placed on clear display at all times. In the absence of a valid permit, drivers are expected to abide by the disc zone parking rules and waiting restrictions.
