Library Services for Schools are excited to launch our theme for this year's KS1 reading for pleasure challenge "Reading is Super Cool".

"Reading is Super cool" aims to:

- Motivate children to read regularly and encourage reading for pleasure
- Give pupils the opportunity and confidence to talk about books and express their own views
- Support literacy development and comprehension
- Raise the profile of reading in school and at home

Each child will be given a passport with a different sticker to collect every time they finish a book (6 to collect in total). Fun activity sheets, review templates and certificate will be included.

To complete the challenge children can either read books of their own choice or schools can purchase set(s) of books from our themed book list. (Each discounted set costs £50 including free plastic jackets). Children can vote for their favourite book and the overall winner will be announced week beginning 17 June. All materials will be delivered after the Easter Holidays.

** There will be a small administration charge for non-subscribing schools.*
